From The Principal - Bruce Robertson

Have you ever heard of the wellness wheel? It defines wellness and provides an overview of six health spheres: Physical; Emotional; Spiritual; Social; Occupational; and Intellectual. The idea of the wheel is that you are able to answer a series of questions, colour the spheres on the wheel, which in turn provides you a visual representation of your ‘wellness’ and indicates whether it is balanced or a little lopsided.

This was an activity our staff completed this week and I am prepared to reveal that my wellness wheel was not as balanced as I would have liked. For the record, wellness is defined as a complete state of physical, mental and social wellbeing. It came as no surprise to me that the health spheres that would require me to be a little more selfish for some ‘me time’ were lacking.

I have listened to a number of experienced principals over past years talk about how they maintain a reasonable state of health and work-life balance. To be honest, I’m not even sure there is such a thing. I’m married to a teacher, we have 5 children in various educational settings and I think work is life so I’m grateful that I love my profession and in turn just enjoy living.

But when I look at my wellness wheel, it helps me to identify the areas I could focus on so that I have a more complete state of physical, mental and social wellbeing. The idea after all is that we are able to function more effectively when the wellness wheel is balanced. With holidays looming I will aim to top up some of my deflated spheres. So if you see me running in a park, riding my bike or participating in a yoga class, please just wave a hand of encouragement and leave me to suffer alone knowing it is for my own good.

On a more serious note, I am always so pleased to hear the various measures that our staff here at school undertake to maintain a reasonable state of wellness. Being a teacher is an incredibly complex and challenging profession at times and I feel very honoured to lead a team who are committed to their work and realise the necessity for balance - both for themselves and for their students.

As parents you are able to support this, ensuring that your child has a healthy balance to help them function as effectively as possible. I believe that Brookfield has a healthy balance with wonderful opportunities through school programs and volunteer led activities to address each of the wellbeing spheres.

2015 International Competitions and Assessments for Schools (ICAS) Years 2-7

If you would like for your child to participate in these tests, a registration form is available from your child’s teacher or from the office. Registration and payment must be received by this Friday 27 March in order to allow our administration staff enough time to process the nominations.

ICAS is a skills development assessment program in key areas of learning for students in Years 2-12. The assessments include Digital Technologies, English, Mathematics, Science, Spelling and Writing. These are highly valued tests and results can be used for entry into scholarship, gifted and talented and learning extension programs.

Life Education – a Message from Harold and Michele

The Life Education van recently visited Brookfield State School. Harold and Michele thoroughly enjoyed their time at our school and reported that they were made to feel very welcome. “Harold and I found the students of Brookfield enthusiastic, attentive, well-mannered and respectful. They are a credit to their parents and carers and the staff of the school. The students in 3A and 4C were particularly impressive and received a letter from Harold. Congratulations!”

Parents: in addition to the lessons in the van, all students and classroom teachers received workbooks and resources to extend the lessons delivered in the Life Education classroom. Parents and carers can find out what their children learned in the mobile classroom by going to the parent section of the Life Education website http://www.lifeeducation.org.au/parents. Click on the relevant links to also check out the 'conversation starter' ideas so you can carry on discussing the lessons at home. There are also some fun and engaging online and offline activities you can do with your children as well as articles, tips and strategies on health and safety issues (such as information on how to disable geo-tagging) and free apps to download.

The winning art works will be framed and displayed in the Meeting Room, what a wonderful honour! Other entrants will receive their art work back this week.

Values Vouchers

This term, we will promote the Values for Australian Schooling and our Brookfield State School qualities of Be Safe, Be Respectful and Be Responsible through Values Vouchers. Students will receive "Values Vouchers" when they display our values and qualities in their playground behaviour and choices. Each week, Values Vouchers recipients will be drawn on assembly and will receive a prize to acknowledge their quality choices.

Last week we focused on the values for Harmony Day and National Say No to Bullying Day. Miss Noonan spoke about the importance of respecting each other and ensuring everyone has a fair go at school and at home.

Our Values Vouchers winners for the week were Heidi (3A) and Finn-Leigh (3A) - well done! Heidi and Finn-Leigh receive a voucher for an ice block from the tuckshop. The Most Respectful Class on assembly this week went to Year 2A. Students in Year 2A showed respect by being on time to assembly, sitting with their legs crossed and paying attention to the speakers, well done Mrs McKay and Year 2A students.

Have a wonderful week,
Katie

Young Leaders Day

National Young Leaders Day last Friday was the most inspiring thing I've ever done! We met Bindi Irwin, the Australia's Local Hero Award winner Juliette Wright and Mike Martin. We have lots of ideas to make the school a better place, which we are now inspired to achieve! The main thing that I learnt was that everyone can make the world a better place if you want to and that everything that you do or say makes an impact on someone or something. You don't have to be in a leadership role to make the school a better place. I now wear the band that says "Get Started" on it every day, and it keeps me motivated. Remember nothing significant, enduring or amazing ever began that way!

Adam C
School Captain 2015
Last Friday, all the leaders from Brookfield State School, were fortunate enough to visit the Brisbane Convention and Entertainment Centre where we got to listen to many people tell us what it was like to be a leader. We listened to Mike Martin, the Director of the Halogen Foundation; Juliette Wright, the founder of the website 'Give It'; Bindi Irwin, the daughter of the famous Steve Irwin; Coen Ashton, who is an advocate of Organ donation; and James Norton, who was the inspiration behind the movie 'Paper Planes'. We were joined by 3500 other year 6 students from schools all over Brisbane and northern New South Wales.

The main thing that I took away from their speeches was that leadership is about influence. You need to stay focused on your vision and trust that you will succeed, to be passionate and to believe in yourself. To stay true to yourself and even though you are only one person you can make a difference. Always keep positive and keep believing, no matter what. Lastly, you should be brave and confident and don’t let people hold you back. Instead of being shy and afraid, be bold and different. I really enjoyed listening to their speeches because it taught me what leadership is about.

Music News

All of our Senior Music Groups (ie Senior Band, Senior Choir, Senior Strings) will require a performance uniform this year for both in school and out of hours performances. It consists of long black pants and a white short sleeved, button up blouse, both available from the uniform shop. Black shoes and black socks are also worn. We distribute neck ties and cummerbunds at each event, and collect these after the performance. All of our Senior groups will require this uniform by our school ANZAC ceremony on April 23. The Uniform Shop is putting in an order and should have stock in all sizes by next week. Please ensure that your child has these items in time for the ceremony as we are keen to look as good as we sound. If you have any queries about the uniform, please don’t hesitate to contact Melissa McMillan either by email (mmcmi10@eq.edu.au) or at school on Mondays, Tuesdays or Wednesdays.

Next Tuesday, Senior Choir rehearsals will go on as usual before the Cross Country. We have a competition fast approaching and need all the practise time that we can get! House Captains who are required to help set up for the Cross Country can miss this rehearsal and meet Mrs Wark on the oval at the required time.
String News

Next Tuesday, March 31st, there will still be a rehearsal for the INTERMEDIATE STRINGS at 8am before the cross country, but unfortunately, there is a clash with the lessons in the 1st session, so I will ask the students to leave their instruments here overnight Tuesday and I will slot them in somewhere on Wednesday.

Thank you
Jennifer Hemmings

Resource Centre News

Competitions give students the opportunity to practice their skills and be recognised and rewarded for their talents. Here is a wonderful competition for our school-full of writers and readers to enthusiastically participate!

Students should see Mrs Allison in the Resource Centre to submit their work and fill in the entry forms. Good luck!

Readers Cup Inter-House Competition for Year 5 & 6 students

Readers Cup is a literature competition each year where schools compete against each other in teams of 5 in June. Team members read 5 books and are asked questions about their knowledge and understanding of the events and characters in the 5 books.

We are holding an inter-house competition in Week 6 next term with teams of 5 per house competing against each other. Unfortunately Readers Cup 2014 team members cannot enter again this year. The teams will be decided next week so students should see Mrs Allison to register their names. The competition books include: Forests of Silence, Red Dog, Matty Forever, The Peasant Prince (picture book) and Holes. Team members do not have to read every book. A team will be chosen from these participating students to represent the school in the Corinda District Inter-school competition. It will certainly be a battle to watch!

Lone Pine

3A 3B And 3C’s Trip To Lone Pine Koala Sanctuary Last Tuesday, all the Grade 3 classes went to Lone Pine Koala Sanctuary. At Lone Pine we watched the Bird of Prey show and the Sheep Dog show, plus the Koala show. 3A, 3B and 3C all fed and patted the kangaroos. We looked at the platypuses and the koalas and the beautiful birds. We all saw a crocodile bathing in the sun. We saw every animal at Lone Pine!

By Ava W 3C

Did you know 3C had a great time on their excursion to Lone Pine Koala Sanctuary? We saw lots of native Australian animals like a kangaroo, crocodile, emu, possum, dingo, sheep, birds, dingo, snake, koala, turtle, frog, platypus and lots more. We learnt so much from this brilliant day, like how to tell between a girl koala and a boy koala. The boy koala has a grey dot on its belly and a girl koala does not. We saw about four shows. The first show was a lesson where we got to pat different animals including a koala and a snake. The second show was the Birds of Prey. We got to see them fly and eat mice. The third was the sheep dog show. It was the best! But there’s more. The fourth show was watching a man shave a sheep [WOW].

Happy Bush Dance Week!!

You’ve had a week to recover from “Frozen” … it’s now time to dust off your boots ready for the bush dance – it is going to be a great family fun night – it seems everyone is really looking forward to it! Just a few things this week … We really are very fortunate here in our Brookfield community; last week we had the opportunity to give to others in real need through donating our excess stockpile of second hand uniforms to victims of the Vanuatu disaster. A big thank you to Chris Steel, Susan Sansbury and Megan Armstrong for making this happen.

Thank you also, to Tamara Hamilton who has agreed to take on the Flexischools Coordinator role leaving only one more P&C role to fill (P&C Sub-Committee - employment related matters). Here is a brief outline of what is involved - A P&C Representative who along with the President and Treasurer is responsible for employment related matters for paid convenor role/s. Would suit someone with a background in Human Resources.

For any further information about P&C activities or the vacant role, please contact me - Victoria Brown, P&C President on 0429 475 625 or vicandab@bigpond.net.au

What’s that Skip? The Bush Dance is finally here!!

That’s right. The Bush Dance is on this Friday 27 March starting at 5.30 pm in the school hall. Early Bird Tickets close Thursday 3.50 pm. After this cut off date tickets can only be purchased at the door on the night.

There are fantastic prizes for the night. So bring your dancing shoes and have some fun!

Colouring-in Competition – Mrs Lewis judging Wed 25 March

Winners shall be announced and presented with their prize and certificates during assembly this week. Thank you to all the children who entered.

THE GREAT BROOKFIELD BAKE OFF

Do you love The Great British Bake Off?
Do you have aspirations of finally nailing those “Women’s Weekly” cupcakes?
Maybe Betty Crocker is more your style?
Either way, we need YOU!

The School Cross Country Carnival is next Tuesday, 31 March 2015. As with previous years, we will be selling cupcakes and muffins throughout the morning as a fundraising initiative. We kindly ask that you bake some cupcakes or muffins for the stall and deliver them to the tuckshop on the morning of the cross country or otherwise bring them down to the stall.

We will also have a coffee van on site from 8:30am to ensure all your caffeine needs are fulfilled. Make sure you have your fix as a portion of sales will be donated back to the school.

If you’re available to help out on the stall during the morning, please come and see us. We’d be especially grateful to volunteers during the Grade 1 event so that we can cheer on our girls!

REMINDER - HOT CROSS BUN ORDERS

Just another reminder to have your Hot Cross Bun orders into the School Office by this Thurs-
day, 26 March 2015 for delivery on 1 April 2015. Bakers Delight have been very generous in offering $2.00 from every six pack sold so we’d love to see everyone take advantage of that great offer. It’s the same price as in store, a quality product and, I’m sure we’ve mentioned it before, delicious!

THANK YOU!

Just a quick note to say thank you to:

- **Elizabeth Mortensen** for assisting us at the Dessert & Snack Bar at Brooky Bite Nite last Friday night. We are very appreciative of your help!
- **Claire Mason** who also offered to help; and to
- **Elizabeth Mortensen** (again) and **Beata O’Dwyer** for taking on the role of Brookfield Show Stall Coordinators. We are very excited to have you both as members of the fundraising team.

New Playgroup at Kenmore District Kindy

Kenmore District Kindergarten is pleased to be offering the Centre as a new Playgroup venue, commencing in term 2.

Kenmore District Playgroup will run every second week, 9:30am - 11:30am, commencing Wednesday 22nd April.

Playgroup members will have access to the large outdoor play area, including climbing fort and sandpits; plus craft activities, play dough, books and puzzles. The centre will provide a safe and stimulating venue for children to socialise and play, and for the parents to connect with other parents of young children.

Members will not be required to join Playgroup Qld, but will be fully insured under the Centre’s insurance policy.

It will cost $20 per term. Interested members can contact admin@kdkindy.com or phone Ali on 0408 882 661.

Now teaching at Brookfield State School

In today’s digital world, technology skills are as important as reading, writing, and maths.
