Uniform Policy
2015

The wearing of school uniform is required by all students. Wearing of our school uniform has many advantages in that:

- School spirit and a sense of identity is developed;
- Students are not discriminated against in relation to the quality or fashion of their clothes;
- Uniforms are hard wearing and practical in design;
- Our uniform provides sun protection;
- Although expensive in initial outlay, uniforms can last throughout a school year or even longer;
- Readymade and second hand uniforms and accessories are available for purchase from our Uniform Shop.

For these reasons the wearing of uniforms is an expectation at our school.

A Uniform Shop operates in A Block and the time of opening is advertised in the Banter. Some second hand uniforms are available.

Each child is assigned to a Sports House and encouraged to wear the relevant House Shirt for Inter-House Carnivals. Sport Houses are Mackellar (Blue); Paterson (Green) and Lawson (Yellow).

School Inter-house carnivals are held once per term and children wear their coloured House t-shirt for each carnival.

**School Hats**

- Hats must be worn for all outdoor activities;
- Parents/caregivers should discourage their child/ren from borrowing other children’s hats. Hats should be labelled clearly with child’s name. A spare hat kept in your child’s school bag is advisable.
- We strongly recommend the round brim hats for maximum sun protection. Baseball caps are not acceptable.
