

# Brookfield State School

## Stop, Kiss and Go! Zones

### *AFTER SCHOOL PICK UP*

For our AFTER SCHOOL Stop, Kiss and Go Zones to be successful the following is necessary:

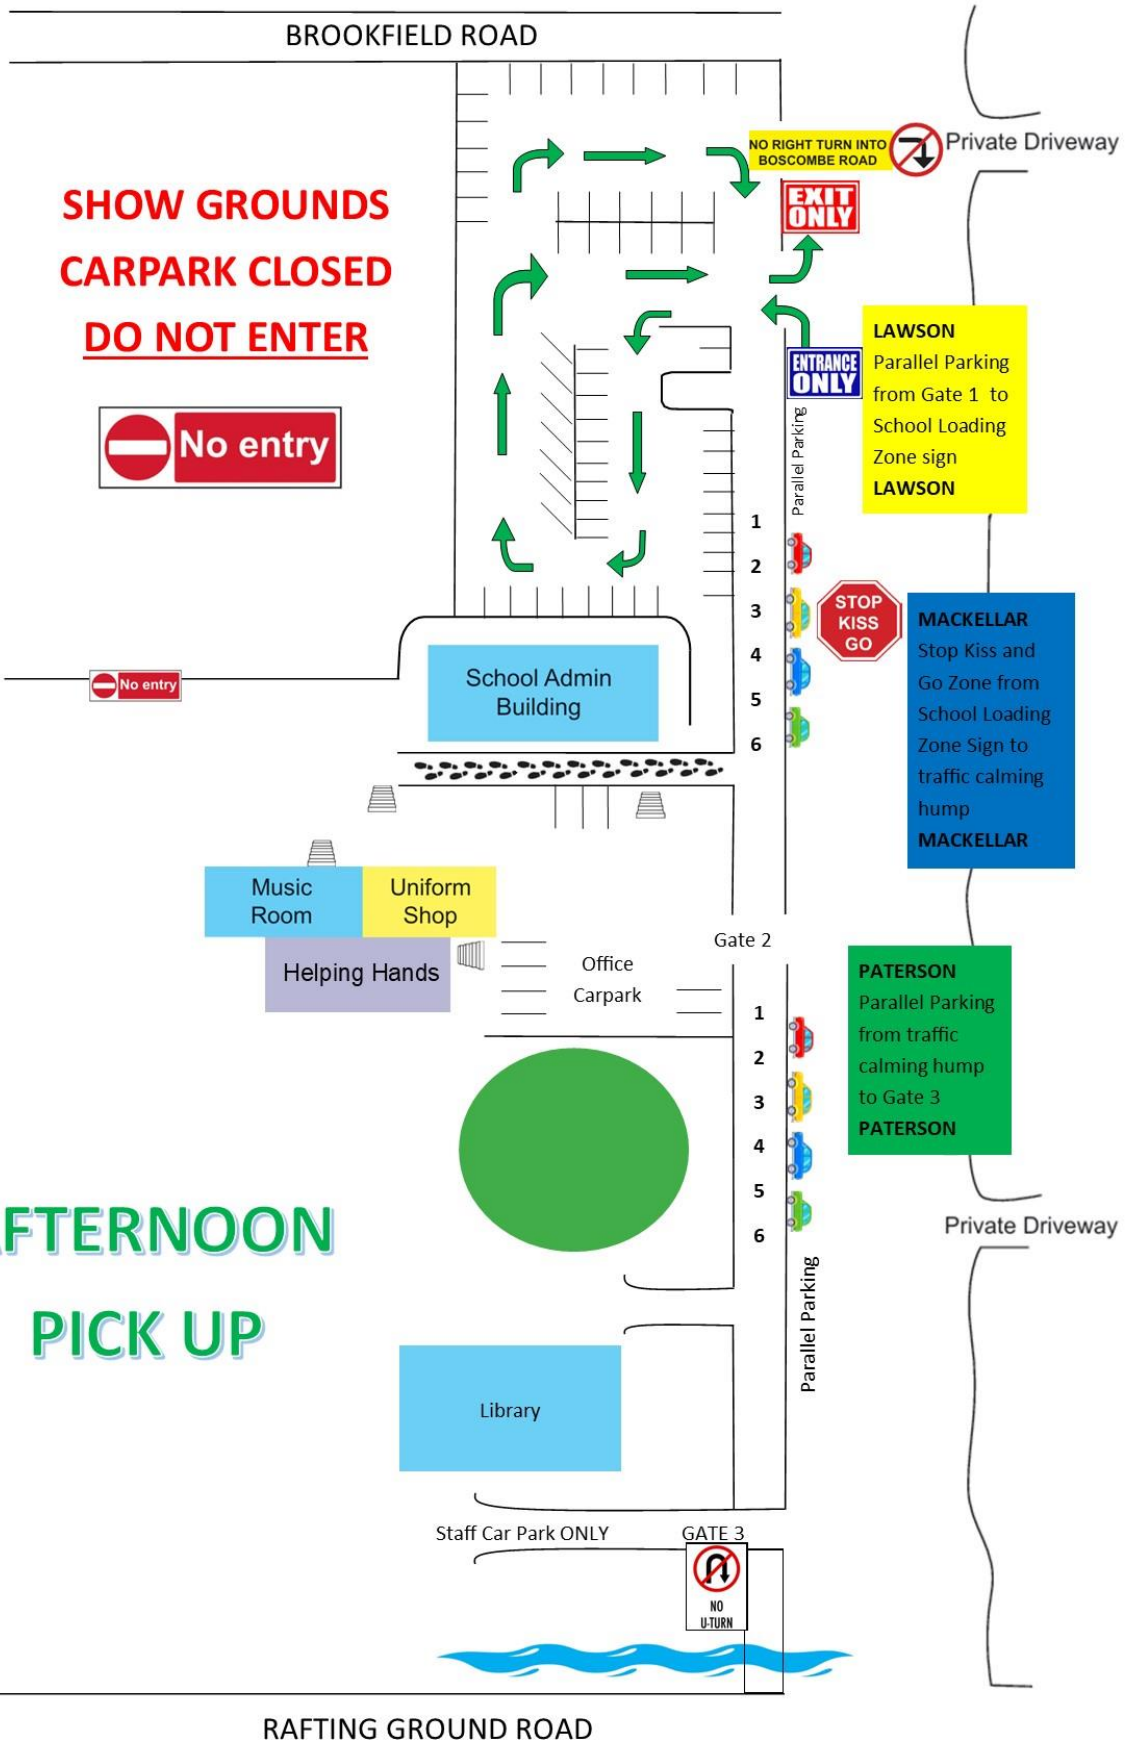

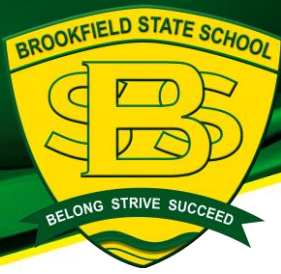

1. Use the area as a “drive through” service, with the zone operating like a fast-moving taxi rank, and not a parking bay.
2. If you are at the front of the queue, move to the top of the zone so that the most cars possible can stop and safely unload/load behind you.
3. Join the queue and stay with your vehicle at all times.
4. Tell your child to look for your car in the afternoon and be ready! A home-made last name card on the windscreen helps staff as well!!
5. Have your child buckle themselves up if able or buckle your child up and leave straight away after your child is safely in their seat.
6. Note the supervised pick-up location for your family’s Sports House is in the map below.
7. Avoid driving south on Boscombe Road toward Rafting Ground Road in order to keep it as clear as possible. **No U-turns** into driveways on Boscombe Road. Drive the short distance around the block to change direction.

#### ✓ Handy Hints:

- ☺ Avoid parking along any part of the school side of Boscombe Rd between 2:45 and 3:30pm
- ☺ Stagger pick up between 2.55pm and 3:15pm to enable gradual traffic around the school.
- ☺ Display your family’s name (home made is great!) on the passenger side sun visor so that they can be called and ready when you stop.
- ☺ Ensure you talk to your child/ren about their drop off/pick up arrangements so they know!

#### ✗ Avoid for the safety of all:

- avoid children crossing the road or car park to you.
- leaving large gaps between cars.
- going around other cars in the zone unless instructed to do so. The zones operate more effectively and safely when everyone moves off together.

**AFTERNOON  
PICK UP**
