

Brookfield State School

Stop, Kiss and Go! Zone

BEFORE SCHOOL DROP OFF

For our BEFORE SCHOOL Stop, Kiss and Go Zone to be successful the following is necessary:

1. Use the area as a “drive through” service, with the zone operating like a fast-moving taxi rank, and not a parking bay.
2. If you are at the front of the queue, move to the top of the zone (#1) so that the most cars possible can stop and safely unload behind you.
3. You will notice bollards marked with numbers #1, #2, #3, #4, #5 and #6 – essentially there are 6 drop off points for Before School Stop, Kiss and Go Zone.
4. Join the queue and stay with your vehicle at all times.
5. Tell your child to be ready to hop out of the car when you safely stop at a numbered bollard. If possible, have their school bags easily accessible.
6. Have your child unbuckle themselves if able or unbuckle your child, wish them a fabulous day at school and leave straight away after your child has left the car.

✓ Handy Hints:

- ☺ Avoid parking along any part of the school side of Boscombe Rd between 8:20 and 9:00am
- ☺ Stagger drop off between 8.30am and 8:50am to enable gradual traffic around the school.
- ☺ Ensure you talk to your child/ren about their drop off/pick up arrangements so they know!

✗ Avoid for the safety of all:

- Leaving large gaps between cars.
- Going around other cars in the zone unless instructed to do so.
