

Dear Brookfield State School Families,

2020 is certainly a year we will not forget! The P&C is looking forward to the day we can get together again as a community.

P&C Annual Survey

In late June, parents will be invited to provide feedback via an online survey. The survey seeks your opinion and input regarding what the P&C should focus on during 2020 and beyond. The survey will take about 5 minutes of your time. The P&C really value your feedback.

Annual Voluntary Contributions

Every year the P&C hold many events to raise funds to finance valued extras at Brookfield State School. The P&C's ability to fundraise in 2020 has reduced due to the COVID-19 restrictions. More than ever the P&C are relying on your support.

One of the P&C's most important roles is to raise funds to support non-core educational 'extras' at our school. These include **Reading Eggs** and **Mathletics** subscriptions, the installation and maintenance of **air conditioning** in all classrooms, the purchase of **Marimbas and other musical instruments**, and significant contributions towards **playground refurbishment**.

**The P&C propose a set voluntary contribution amount of \$90 per family for 2020.** We recognise that some families may not be in a position to contribute the suggested amount, and therefore any amount is appreciated. Contribution methods are set out below. Please note, the P&C Voluntary Contribution is separate to the School Voluntary Contribution requested in February 2020, with the current focus of P&C funds outlined below.

**Where do your voluntary contributions go?**

2019 - P&C Fundraising sources	Income	Cost	Funds to support "Extras"
Voluntary Contributions	\$750	-	\$750

Thank you in anticipation of your support.

Kind Regards
